

12 April, 2018

Dear Parents,

We would like to take this chance to extend our thanks to all students, parents and staff for making our first 11 weeks at WPS warm and welcoming. We have been blown away by the wonderful manners of students and by their friendly and happy disposition. I think that this is a reflection of both home and school standards and it makes coming to work each day an exciting venture.

In order for us to continue to supply fresh, wholesome food our current operation needs to be streamlined and we plan on doing this by asking parents to join up to the Flexischools Online Ordering System. As of the beginning of Term 2, all orders will need to be placed over the internet. This will allow us to reduce our hours by receiving all orders in one hit rather than over the course of 3 hours as has been the case.

Manual orders over the counter will still be accepted for a period of time, but there will be an additional \$1 per order per student surcharge. Students who do not have sufficient money to cover this surcharge will have their orders reduced.

The Flexischools portal is safe and secure and provides parents with the option of placing orders the night before or even the week before and gives parents greater control over what their children order.

Please note that the menu is divided into 3 sections – Recess, Lunch and Later orders. Orders close at 9am and late orders close at 10.30am.

We hope that you find the transition into online ordering easy and fun. Please come to see us at the canteen if you have any questions regarding Flexischools.

Have a happy and safe holiday.

Italia and Sue
